Forward

A record of existing and readable headstones as at August 2008 (there are quite a few unreadable crusted headstones)

The headstone provides a genealogical record of names, dates, age and relationships of people etc

I have split the churchyard into 3 defined burial areas to help locate the gravestone

- 1) South and westwards from Lynch Gate
- 2) North
- 3) West, the modern area (survey of this section not completed)

1) South and westwards from Lynch Gate (near Church Ist)
