We were attacking Gaza "Ottaweena Redoubt" about 8 a.m. 19/4/17 and Allen was about fifteen yards from me when hit about the body and fell apparently instantly killed. He was about 25 years of age, 5ft 9ins. in height, slim build, fair complexion. I don't know his home in Australia. I heard his remains were collected with others and buried ten months later.

Killed April 19th. 1917.

I was out with the Squadron when Campbell was killed. We were in extended order, and Campbell was some distance away. It was on the Alimuntur Ridge, Gaza, that he was shot by a bullet and died instantly. As far as I know he was left there. Campbell was on the tall side, medium complexion, about 26 years of age. He came from somewhere up on the Northern coast of N.S.W.

He was missing after the attack on right flank at Gaza on 19/4/17. where he was a stretcher bearer. About two months later a message was dropped by a turkish areoplane that he(with others) had died of wounds in Hospital at Nazareth. About October 1917 I saw his grave in the Cemetery at Nazareth. It was well kept, and had a cross with his particulars on it. He was a big chap about 5'11", fair, about 26 years old, and came from out near Adavale Q'Land.
